Customer Story Bella Rose Medispa

Bella Rose Medispa aims in offering clients in attaining the look that will make them feel their very best. Knowing that each individual is unique, this Medical Spa makes sure that every patient is given the proper and needed attention to address their needs.

Bella Rose Medispa also makes sure that the treatment plans that they will offer to their patients are solutions that will specifically cater to their aspirations. From all sorts of treatments (Injectible aesthetics, Latisse, ZO Skin Health, to name a few), clients are in good and experienced hands in this medical spa.

Challenge

Bella Rose Medispa needed to expand its reach online. They were in need of a website that will not only let customers know of their services - they were also in need of an online solution that will assure them of marketing and sales. The medical spa also wanted a partner that will provide these online essentials in a cost-efficient and reputable manner.

Solution

Growth99 offered to improve Bella Rose Medispa's online reach through a new and better SEO approach. By revamping the website, Bella Rose Medispa is now the top-ranking medical spa in its state.

Additionally, a focus on mobile local search has been integrated. This allows Bella Rose Medispa to reach out to leads that matter for their business.
