

## Customer Story

# Lumi Med Aesthetics

*Lumi Med Aesthetics was founded by Dr. Kiki Partovi, a certified M.D. having numerous years of experience in the field of aesthetic medicine. Along with her team of highly trained professionals, Dr.Kiki offers the best quality of aesthetic medicine services to her clients.*

*Lumi Med Aesthetics caters to clients irrespective of their age group, gender and socio-economic standing. Dr. Kiki utilizes her knowledge of aesthetic medicine to create customized treatment plans for her clients. PRP treatments, Botox fillers, chemical peels are among the treatments offers at Lumi Med Aesthetics.*

### Challenge

Dr. Kiki was facing issues with her website before she contacted Growth99. She had a previous experience where she had to pay an amount for every change she requested in her website. She was looking to partner with a company who would do online reputation management, website SEO and help increase the online presence of Lumi Med Aesthetics. Dr. Kiki wanted Growth99 to design a website that would showcase the facilities and services available at Lumi Med Aesthetics.

### Solution

Growth99 created a website for Lumi Med Aesthetics that was designed to suit the convenience of users. Quality word content was uploaded on the website that was informative and would attract more potential clients. Due to an easy process of making online appointments, Lumi Med Aesthetics saw an increase in the number of client bookings. Their popularity soared as they began to appear more frequently during web searches.
