

Look like you, only refreshed

GROWTH99

Customer Story

Refresh Aesthetics

Refresh Aesthetics is a medspa that specializes in injectable anti-ageing cosmetic procedures. Amanda Hartman who has a Masters degree in Nursing and who is a certified cosmetic injector is the founder of Refresh Aesthetics. Complete comfort and satisfactory treatment experience for every client is something Amanda strives for.

At Refresh Aesthetics, individual need is given more attention and customized treatment plans are created to suit each client's requirements. Amanda Hartman works with Dr. John Wells, the medical director at Refresh Aesthetics, to create the most satisfying treatment experience for each client.

Challenge

Refresh Aesthetics were struggling with a rather outdated website when they connected with Growth99 in the year 2020. They were hoping that Growth99 would help to design a new website for them complete with high level of Search Engine Optimization. Refresh Aesthetics wanted a better web presence on Google searches as well as various social media platforms.

Solution

Growth99 was able to design a faster and user friendly website just like Refresh Aesthetics were looking for. They ensured monthly uploading of quality word content on the website that attracted more users. Due to a good digital marketing strategy used b Growth99, Refresh Aesthetics now features higher up during Google My Business searches. There has been a steady increase in the online bookings for Refresh Aesthetics since they partnered with Growth99.
