

Customer Story

Balanced Body Healthcare

Balanced Body Care is a holistic wellness spa laying focus on all aspects of physical and mental health. The idea of a holistic care center was masterminded by Mindy and Cindy, two sisters who nurture a passion for beauty and wellness.

Weight loss treatment, I.V rejuvenating therapy, hormone replacement therapy, pain treatment, emotional wellness treatment are some of the health care options available at Balanced Body Care. Yoga and Reiki therapy are available for people seeking solace and mental calm. The motto at Balanced Body Healthcare is that health can be nurtured only if there is a balance between the body, mind and soul.

Challenge

Balanced Body Healthcare were looking for a partner who would help them with every aspect of online reputation management and digital marketing. They required guidance for every stage right from website development to procuring more online bookings.

The website of Balanced Body Healthcare was in need of a strong SEO backing to increase their online popularity.
